NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties do hereby agree as follows:

1. Independent Carrier/contractor; Services. Carrier agrees to perform driving services as may be offered by the Company from time to time in accordance with this Agreement ("**Services**"). Carrier does not have the right to and will not bind the Company in any manner. Carrier shall complete and deliver to the Company, by the deadlines set by the Company, all load tickets, dump tickets, haul tickets and other forms, documents and receipts as the Company may require from time to time. 3. Term. The term of this Agreement shall commence as of the date set forth above and shall be terminable at will, by either party, upon notice as provided herein (the "**Term**").

4. Nonexclusive Services. The Company recognizes that this Agreement is not exclusive, and that Carrier is an independent carrier/contractor and may offer carrier/contractor services and owned equipment to any other party. Carrier understands that the Company also uses the services of other carriers and this Agreement does not obligate the Company to use Carrier's services. The Company, in its sole discretion, may offer work opportunities to Carrier, as it sees fit, but is not obligated to do so. There is no minimum volume of freight contemplated by this Agreement. The Company has the right to cancel the Services requested of Carrier at any time, including during the course of performing any Services.

5. Compensation. Carrier shall be paid for its Services at the rate determined by the Company for such Services or project. Carrier may contact the Company to verify the compensation for any particular haul. Carrier acknowledges that the compensation may vary from time to time based on the Services provided or for the particular project. In the event that Carrier cashes a check in payment for its Services, the amount set forth on such check will be deemed to be the correct rate for such Services, and Carrier will have no right to challenge the rate at which Carrier was compensated for such Services. The Company shall not withhold taxes from any payment, but may file informational returns with the appropriate federal and state agencies regarding such payments. The Company will provide Carrier with IRS Form 1099 – MISC to account for all payments made. Carrier shall pay all federal, state and local taxes applicable to all payments received from the Company. In addition, the Carrier warrants to the Company that they are including the money received for their services under Federal Income Tax Schedules as an independent business or profession. Carrier agrees and acknowledges that payment of amounts due Carrier hereunder is subject to Carrier complying with all of the terms and conditions contained herein in a timely manner including, but not limited to, delivering to the Company all forms, documents and receipts, including but not limited to, load tickets, hourly tickets, haul tickets and dump tickets, in the form required by the Company. The Company may withhold any payment due to Carrier until Carrier has complied with all of its requirements.

6. Deductions from Compensation. The Company shall be entitled to deduct from any sum it owes Carrier under this Agreement, any sum due the Company from Carrier, (whether under this Agreement or otherwise).

8. Equipment; Personnel. Carrier shall be responsible for providing and scheduling all personnel and all tractors and trailers and all other necessary equipment (the "**Equipment**") in order to perform the Services. Carrier shall not affix any sign, logo, design or registered service mark of the Company on the Equipment. Carrier agrees, at Carrier's expense, to (i) maintain the Equipment in good mechanical condition at all times and to keep the Equipment in compliance with state and federal safety regulations and (ii) utilize only competent, able and legally licensed and qualified personnel. Carrier also agrees to strictly comply with all applicable state and federal regulations related to operating the Equipment and performing the Services. Carrier shall not in any way sub-contract, broker, assign or arrange for the freight to be transported by a third party without the Company's prior written consent. If Carrier breaches this provision, the Company shall have the right of paying the monies it owes Carrier directly to the delivering carrier, in lieu of payment to Carrier. Such payment to the delivering carrier shall nullify any payment obligation the Company has to Carrier and shall not release Carrier from any liability to the Company under this Agreement.

9. Operating Costs. Carrier agrees, at Carrier's expense, to pay any and all expenses in connection with Carrier providing the Services hereunder and in connection with the Equipment and its operation, including, but not limited to salaries that may have been earned on private or on Illinois Prevailing Wage jobs, contributions, overtime, employee benefits, fuel, oil, tires, lubricants, garage facilities, repairs, plus the cost of all bridge, tunnel, ferry, road and other tolls. required by state or federal law. Carrier assumes the risks and costs of all fees, fines, violations, tickets (including, without limitation, tickets for being over the legal weight) and agrees to be responsible for all taxes incidental to the ownership and operation of the Equipment. Carrier waives and releases any liens which it might otherwise have to any freight in its possession.

10. Insurance Coverage. Carrier agrees to procure and maintain, at its own expense, Worker's Compensation Insurance and Employer's Liability Insurance in an amount not less than the minimum amount required by law. Carrier shall also obtain and keep in full force and effect at all times during the term of this Agreement at Carrier's expense the following policies: (a) a policy or policies of commercial motor vehicle liability insurance in the amount of \$1,000,00.00 per occurrence, combined single limit, for bodily injury, and property damage liability, covering the operation of all of Carrier's vehicles and all other vehicles which may be used in connections with this Agreement; (b) a policy of general liability insurance covering Carrier's operation hereunder in the amount of \$1,000,00.00 per occurrence, combined single limit (such general liability coverage should be comprehensive, specifically including contractual insurance); (c) a motor truck cargo policy with limits not less than \$10,000.00 per vehicle and \$10,000.00 per occurrence; and (d) such policies of insurance not specifically required in this Section but which are required under state or federal law or as may be reasonably required from time to time by the Company. All policies shall be from such insurance companies satisfactory to the Company in its sole discretion. The Company shall be named as an additional insured on all policies of insurance except Worker's Compensation Insurance, and shall be furnished, from time to time at the Company's request, with a certificate or certificates of insurance evidencing the coverage delineated above. As between the Company and Carrier, it is understood and agreed that; (i) any insurance furnished by Carrier shall be primary insurance; (ii) any similar insurance of the Company shall be secondary or excess insurance; and (iii) Carrier's insurance company shall be advised accordingly and appropriate endorsements issued. No policies of insurance shall be canceled without thirty (30) days prior written notice to the Company and the certificate issued to the Company must so provide.

11. No Deductions. The Company shall have no responsibility to make any deductions for, or to pay social security taxes, withholding taxes, state or federal unemployment insurance taxes or premiums with respect to Carrier or any of its employees, independent contractors or agents. Unemployment compensation and Workers' Compensation are not available to Carrier through the Company as the parties agree that Carrier and its employees are not the employees of the Company, but are independent carrier/contractors.

12. No Fringe Benefits. Neither Carrier nor any of its employees, independent contractors or agents may participate in the Company's pension or welfare benefit plans, including, but not limited to, medical, dental, long and/or short-term disability or 401(k) plans.

13. Documents on File. Prior to the commencement of Carrier's Services, Carrier shall provide to the Company (i) certificates of insurance or certified copies of insurance policies and copies of all applicable licenses and ICC numbers showing compliance with the terms of this Agreement; and (ii) proof of current corporate status, if applicable. Carrier agrees to provide to the Company updated and current documents, as described above, and such other documents as the Company may request from time to time.

14. Indemnification. Carrier and Guarantor, jointly and severally, agree to defend, indemnify and hold harmless the Company, its Affiliates and its and their successors, assigns, officers, attorneys, shareholders, directors, employees, members, managers, agents, contractors, and representatives from and against any and all claims, demands, actions, suits, liabilities, losses, judgments, arbitration awards, fines, penalties, interest, taxes, damages (including, without limitation, indirect, special or consequential), costs and expenses of any kind or nature whatsoever, including, but not limited to, reasonable attorneys' fees, costs and expenses, actually or allegedly, directly or indirectly, arising or resulting from or in connection with: (a) Carrier's non-compliance with U.S. DOT & FMCSA compliance regulations, (i.e., Driver Qualification Files, Federal or State Truck/Trailer Inspections, Proof of Insurance, Alcohol & Drug Testing Pool, Medical Card), as well as any federal, state and/or local laws or regulations, including without limitation OSHA, EPA compliance regulations and Illinois Prevailing Wage Act (820 ILCS 130/1-12), governing operation of commercial motor vehicles and drivers; (b) Carrier's failure to pay all federal, state and local taxes applicable to all payments received from the Company; (c) Carrier's breach of this Agreement or any representations and warranties made herein; (d) Carrier's or its employees, independent contractors or agents' omission or commission of any act, lawful or unlawful; (e) any damage to personal property or any personal injury resulting from or incurred in connection with providing Services under this Agreement; (f) the allegations or determination of any court, federal or state agency or third party that Carrier or any of its employees,

Affiliates shall mean any person or entity that directly or indirectly, through one or more intermediaries, controls or is controlled by, or is under common control with the Company.

15. Termination. Either Carrier or the Company may terminate this Agreement, with or without cause, at any time upon notice. This Agreement will automatically and immediately terminate upon Carrier or Guarantor's death or disability (either mental or physical) that causes Carrier to be unable to perform the Services. The following shall survive termination of this Agreement: (i) all rights with respect to breaches of this Agreement which occurred prior to termination, (ii) all representations and warranties made herein, (iii) all defense and indemnification rights and obligations of a party hereto, including, but not limited to, those contained in Section 14 above, (iv) all rights and obligations set forth in Sections 16 through 28 herein and (v) all sections where survival is reasonably implied. Upon termination of this Agreement, Carrier agrees to promptly deliver to the Company all documents relating to the Services as the Company may reasonably require (including, but not limited to, all load tickets, haul tickets, hourly tickets and dump tickets).

16. Entire Agreement. This Agreement sets forth the entire understanding of the parties with respect to the subject matter hereof and may not be modified except by written agreement of the parties. Any and all prior agreements and understandings between the parties regarding the subject matter hereof, whether written or oral, are superseded by this Agreement. The parties acknowledge and agree that they are not relying on any representation concerning the subject matter of this Agreement that is not set forth herein. This Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective permitted successors and assigns. 18. Governing Law. The laws of the State of Illinois (without regard to its conflict principles) will govern the interpretation of this Agreement.

19. Arbitration. Any controversy or claim arising out of or relating to this Agreement, or the breach thereof, shall be settled by binding arbitration, with one (1) arbitrator, administered by the American Arbitration Association under its Commercial Arbitration Rules, JAMS Dispute Resolution or ADR Systems, selected at the sole discretion of the Company with the exclusive venue of all proceedings in Crystal Lake, Illinois. Judgment on the award rendered by the arbitrator may be entered in any court having jurisdiction thereof. The parties hereto agree that an arbitration award by default may be entered against any party failing to appear or defend itself in any arbitration proceeding. The non-prevailing party in any arbitration proceeding or litigation of this Agreement shall pay all attorneys' fees and expenses incurred by prevailing party, in connection with litigation or arbitration proceeding.

20. Safety and Job Site Rules. Carrier also agrees to cover, with a tarp, all loads hauled, as required.

21. Waivers. Any failure by a party hereto to exercise any right granted herein will not in any event constitute a waiver of any such right. All waivers must be in writing. The waiver by any party hereto of a breach of any provision hereunder shall not operate or be construed as a waiver of any prior or subsequent breach of the same or any other provision hereunder.
